### Description

Consists of presentation boards related to the design, construction, renovation, and expansion of Princeton University's grounds and buildings. In addition, the boards include those used for planning purposes, student housing strategies, insurance purposes, and the recording of features such as fallout shelters and electrical feeders. The boards primarily include floorplans, artistic renderings, elevations, and campus "footprints." The collection also includes a set of architectural renderings of Whitman College that are not mounted. For the most up-to-date information on the Architectural Presentation Boards (including new accruals), please see the database online at: Princeton University Architectural Presentation Boards.

### Arrangement

The boards are organized alphabetically by building and each building group is arranged chronologically. Found at the end of the alphabetical listing are boards related to planning for co-ed housing, general campus boards and aerial photographs, as well as new accruals. Note: Board numbers 113 and 459 are non-extant.

Series 1: Architectural Presentation Boards, 1929 February-2001 April 20  
Series 2: Architectural Renderings of Whitman College, circa 2002
